

Developing Innovative Visual Educational
Resources for Students Everywhere

[Dublin City University](#)

28th - 30th June 2011

The DIVERSE Conference is an annual gathering of academics, teachers, technologists and students. Participants engage in an ongoing dialogue around effective uses of visual media in Education.

The event includes a large number of:

- Presentations
- Discussions
- Workshops

on a range of topics related to the conference theme. This 11th International Diverse conference offers you content and activities that extend to all areas of educational technology, photography, master classes, poster and paper presentations.

Our International Keynotes include:

[Prof. Michael Wesch, Kansas State University, USA](#)

[Prof. Ricki Goldman, New York Steinhardt, USA](#)

[Prof. Jack Whitehead, Liverpool Hope University, UK](#)

[Prof. Roy Pea, Stanford University, USA](#)
